

Aquest no és un llibre
per a nens petits.

No, no.

Ets una nena petita?
Un nen petit?

Si és així,

NO L'OBRI.

NO CONTINUÏS!

A cartoon illustration on a yellow background. A large, teal-colored slug with a dark blue spiral shell is moving from left to right. The slug has several long, thin, white eyes on its head. A girl with black hair, wearing a blue shirt and an orange skirt, is sitting inside the shell of the slug, holding a purple umbrella and reading a book. A green, worm-like creature is crawling on the slug's back. In the bottom left corner, another green worm-like creature is looking towards the slug. In the top right, a red bird with white wings is flying. In the bottom right, the girl is lying on the ground, still reading her book. There are several speech bubbles with text in Catalan.

...un enorme CARGOL
MUTANT que t'ofegarà
amb les seves baves
enganxifoses i pestilents.

ATURA'T,
SISPLAU!

El que ve ara
encara és pitjor.

No t'ho creus?

Si continues llegint...

...una MORSA
t'ensordirà amb
un bram fètid,

abans d'esclafar-te amb
el seu pes i convertir-te
en paper de ceba.

Encara no n'has
tingut prou?
